C. **AUTHORITY AND RESPONSIBILITIES**

General

The Committee shall discharge its responsibilities, and shall assess the information provided by the Company's management and the Company's registered public accounting firm (the "*independent auditor*"), in accordance with its business judgment. Management is responsible for the preparation, presentation and integrity of the Company's financial statements, for the appropriateness of the accounting principles and reporting policies that are used by the Company and for establishing and maintaining adequate internal control over financial reporting. The independent auditor is responsible for auditing the Company's financial statements and the Company's internal control over financial reporting and for reviewing the Company's unaudited interim financial statements. The authority and responsibilities set forth in this Charter do not reflect or create any duty or obligation of the Committee to plan or conduct any audit, to determine or certify that the Company's financial statements are complete, accurate, fairly presented, or in accordance with generally accepted accounting principles or applicable law or to guarantee the independent auditor's reports.

Oversight of Independent Auditor

1. Selection. The Committee shall be solely and directly responsible for appointing, evaluating, retaining and, when necessary, terminating the engagement of the independent auditor.

2. Independence. The Committee shall take, or recommend that the full Board take, appropriate action to oversee the independence of the independent auditor. In connection with this responsibility, the Committee shall obtain and review the written disclosures and the letter from the independent auditor required by applicable requirements of the Public Company Accounting Oversight Board (the "*PCAOB*") regarding the independent auditor's communications with the Committee concerning independence. The Committee shall actively engage in dialogue with the independent auditor concerning any disclosed relationships or services that might impact the objectivity and independence of the auditor.

3. Compensation. The Committee shall have sole and direct responsibility for setting the compensation of the independent auditor. The Committee is empowered, without further action by the Board, to cause the Company to pay the compensation of the independent auditor established by the Committee.

4. Pre-approval of Services. The Committee shall pre-approve all audit services to be provided to the Company, whether provided by the principal auditor or other firms, and all other services (review, attest and non-audit) to be provided to the Company by the independent auditor; provided, however, that de minimis non-audit services may instead be approved in accordance with applicable SEC rules. Other than with respect to the annual audit of the Company's consolidated financial statements, the Chair of the Committee is hereby delegated the authority to pre-approve other audit services and all other services on behalf of the Committee. If such services

are approved by the Chair of the Committee, these approvals will be reported to the Audit Committee at the next scheduled Audit Committee meeting.

5. Oversight. The independent auditor shall report directly to the Committee, and the Committee shall have sole and direct responsibility for overseeing the work of the independent auditor, including resolution of disagreements between Company management and the independent auditor regarding financial reporting. In connection with its oversight role, the Committee shall, from time to time as appropriate, receive and consider the reports and other communications required to be made by the independent auditor regarding:

- critical accounting policies and practices;
- alternative treatments within generally accepted accounting principles for policies and practices related to material items that have been discussed with Company management, including ramifications of the use of such alternative disclosures and treatments, and the treatment preferred by the independent auditor;
- other material written communications between the independent auditor and Company management; and
- the other matters addressed in applicable PCAOB standards and SEC rules.

6. PCAOB Inspections. The Committee shall request the independent auditor to provide relevant information about inspections of the firm by the PCAOB, including the following:

- whether any audit overseen by the Committee is selected by the PCAOB for an inspection and, if so, the findings of the inspection;
- whether the PCAOB's inspection of other audits performed by the firm raised auditing or accounting issues similar to those presented in the Company's audit;
- the firm's response to PCAOB findings; and
- the firm's remedial efforts in light of any quality control deficiencies that may have been identified by the PCAOB.

The Committee shall review and discuss with the Company's management and independent auditor the Company's audited financial statements and quarterly financial statements, including disclosures under the caption "management's discussion and analysis of financial condition and results of operation" and the matters required to be discussed by applicable PCAOB standards and SEC rules.

8. Recommendation to Board Regarding Audited Financial Statements. The Committee shall consider whether it will recommend to the Board that the Company's audited financial statements be included in the Company's Annual Report on Form 10-K.

9. Audit Committee Report. The Committee shall prepare an annual committee report for inclusion where necessary in the proxy statement of the Company relating to its annual meeting of stockholders.

In accordance with the Company's Related Person Transaction Policy and Nasdaq rules, the Committee shall conduct appropriate review and oversight of all related person transactions for potential conflict of interest situations on an ongoing basis.

15. Additional Duties. In addition to the duties and responsibilities expressly delegated to the Committee in this Charter, the Committee may exercise any other powers and carry out any other responsibilities consistent with this Charter, the purposes of the Committee, the Company's bylaws and applicable Nasdaq rules.
